

# Non-ferrous metals

Heavyweight copper  
Milberry copper  
Lightweight copper  
Copper shavings  
Copper rods, non-coloured  
Copper catenary cable  
Copper wire, slightly oxidised  
Wicu tubes  
Copper rods  
Copper waste products  
Copper rails, coloured  
Copper-Nickel shavings

Copper cables  
Copper power cable I  
Copper power cable II  
Copper cable with plug  
Stranded wire  
Thin telephone cable, without iron  
Signal cable  
Thick telephone cable with iron  
Thin telephone cable with adhesions.  
Thin telephone cable with iron  
Thick telephone cable without iron  
PVC sleeves  
Lead sleeves  
Aluminium cable  
Thick lead cable  
Thin lead cable  
Thin rubber cable  
Thick rubber cable

Chrome steel  
Hard metal  
Titanium  
Titanium shavings  
Various metals  
Catalysts

V 2 A (stainless steel with chrome and nickel alloys)  
V 2 A shavings (stainless steel with chrome and nickel alloys)  
V 4 A (stainless steel with chrome, nickel and molybdenum alloys)  
V 4 A shavings (stainless steel with chrome, nickel and molybdenum alloys)

Disassembly  
Copper disassembly  
Aluminium motors and gearboxes  
V 2 A disassembly  
Aluminium disassembly

E-motors  
Transformers  
E-motors min. quality  
White transformers  
E-motors (large)  
starters/alternators  
Small household appliances  
Batteries  
Brass heavy  
Brass shavings  
Brass 58  
Brass 58 shavings  
Brass raff  
(heavy brass with copper-zink alloys)  
Red brass shavings  
Red brass 1  
Brass wire  
Copper-Brass coolers (clean)  
Copper-Brass coolers (unclean)  
Brass sleeves  
Water meters (mechanical)  
Water meters (electrical)

Aluminium dishes  
Aluminium new II  
Aluminium sand  
Cast aluminium without Iron  
Aluminium PVC coolers  
Aluminium profiles (non-coloured)  
Aluminium offset without paper  
Aluminium offset with paper  
Aluminium shavings  
Aluminium foil  
Aluminium wheelrims without adhesion  
Aluminium piecemeal scrap  
Aluminium wire with iron  
Aluminium wheelrims with adhesion  
Aluminium mixed construction  
Aluminium-Copper coolers with iron  
Aluminium-Copper coolers without iron  
Aluminium new I  
Aluminium new foil  
Aluminium cast with iron  
Aluminium Iso profiles  
Aluminium wire without Iron  
Aluminium profiles (coloured)

Lead  
Lead from tyre-balancing metal  
Printing lead  
Shot lead  
Zinc  
Cast zinc alloy  
Zinc from tyre-balancing metal  
Soldering tin  
Pewter dishes
